Ribniško Pohorje

The mountain tourist centre Ribniško Pohorje covers an area of 10 hectares on the **northwest part of Pohorje**, at a height of 1368 to 1525 metres above sea level. The altitude of the centre gives the opportunity for excellent ski slopes on natural and compact snow.

The ski lifts Velka and Črni vrh have a capacity of up to 1400 skiers per hour and connect the ski runs, which are suitable for the less or more demanding skier. Ribniško Pohorje also offers **6 kilometres of regulated cross country tracks** in the surroundings of Pohorje's highest point Črni vrh which stands at 1543 metres above sea level.

Kope

The mountain tourist centre Kope lies in the **far western, highest part of Pohorje at a height of 1010 metres to 1542 metres** above sea level. The ski slopes cover an area of 60 hectares, where waiting for you are more than **7 km of ski runs of all grades of difficulty**, which are connected by **7 drag lifts** (with a capacity of 5930 skiers per hour) and the **four seat chairlift Kaštivnik**. We ensure you a snow guarantee of 100 days with 70% additional compact snow. In the surroundings of Črni Vrh, 1542 m, is a regulated **15 km of cross-country tracks**. **We also offer night downhill skiing** on difficult and medium difficult ski runs 2 kilometres long.
